report on the activities accomplishments and resources related to the jrc s work carried out in 2015 an overview is given of the scientific achievements and activities

the ink on the treaties of rome of 25 march 1957 was hardly dry when the commission set itself up for business on 1 january 1958 in brussels with an agenda covering all areas of the economic life of the six founder countries germany france italy and the three benelux countries of belgium luxembourg and the netherlands the 15 year period from 1958 to 1972 covered by this work corresponds to the beginnings of the european commission whose first task was to come up with practical means of achieving the treaties main objective the establishment of a common market taking as its point of departure the general interest of the entire community of six member states forged by men and women with often very different backgrounds the history of the first few years is one of crises but also of achievements which shaped the major milestones of european integration in almost every area imagination long term vision enthusiasm

and tenacity seem to have been the great virtues of the people working for the young european institution at that time by piecing together over a number of years the recollections of former commission officials a consortium of university teachers under the direction of professor michel dumoulin of the catholic university of louvain at louvain la neuve has at last made it possible to tell the story of what happened during those early days this is a new edition of the book originally published in 2007 a similar project has since resulted in the publication of a book about the history of the commission between 1973 and 1986 editor

coal burns underground and destroys a small town a woman confronts police officers with her pet copperheads a young girl drinks drano a man is banned from his favorite bar within these eleven short stories flannery o connor award winner and poet gary fincke brings into focus the small struggles of ordinary people the characters within this collection from boys and girls to fathers mothers and the aging live in cities in towns and in rural areas yet no matter the surroundings all seem alone within a collective anxiety set against extraordinary events such as the three mile island accident the challenger disaster and the kennedy assassination these stories personalize history through a juxtaposition between large and small tragedies and the unflinching desire to find insight within and redemption from weakness and shortcoming
