the land of kraal has been under the influence of a dark lord for 3000 years
lumaris is a farmers daughter and sees herself as just that on her fourteenth
birthday however everything changes she is the only human in her world that
can perform magic and so is the only one to save it with an elf and immortal
mercenary by her side she travels the world she never knew training for the
prophecized battle along the way she discovered about the origins of her
powers and what the real evil deeds of the tyrant are

at the center of the empire was the oracle the oracle announced the coming of
the one who would change the world this is his story one day when heads or
tails was out roaming the forest he comes across a nameless man he christens
him wismerhill and from that day forth the pair are inseparable they start out on
the road of adventure and sooner or later end up joining a gang of amiable war
dogs feared throughout the land wismerhill soon proves his worth and begins to
demonstrate some surprising powers but just as everything is going well the
light comes bringing darkness in its wake

an ordinary week for emperor wismerhill the first isn't oddly enough all that
ordinary especially when it begins with a visit from a god who shouldn't actually

exist

three young warriors one of them with royal blood will be born into the human race as natural enemies they must overcome their differences to unite and bring light back into darkness for there is no light without darkness and there is no darkness without light however victory does not come without a price

the gateway has been closed on the wreckage of a dead past and the millions of survivors have a new world to explore civilization must be completely rebuilt under the authority of methraton marking the dawn of a new order will wismerhill at last be free to choose his destiny or will he succumb to the perils of the future and the shadows of yesteryear who wish his downfall

darkness shall light the way secretive and satiated by a life that others would consider taboo zoë hall has architected her existence after petrifying nightmares begin infiltrating her tightly controlled waking life she inadvertently awakens a preternatural presence that casts darkness into her psyche and draws her deeper into the embattled realms of her dreams part psychological thriller part surrealistic fantasy the leveling explores consciousness and reality grief and loss and fearlessly delves into the existential pulled between present day manhattan and the forested realms of her dreams zoë finds herself wedged between the very pillars of light and dark as she comes face to face with the most formidable force she s ever encountered her own mind

blue moon chronicles takes place in a fictional world during the end of the nineteenth century one hundred years after a civil war split the people into two provinces sanctum and alexandria the war for the continent became a certainty as soon as the provinces were settled and the time is coming join ian hirst a young hunter from the forgotten snowy north as he leaves home to learn of the world he lives in join him as he meets new and strange people visits

grand and beautiful locales and learns the brutal truths of life and of war along the way experience a world that was torn apart by war as another war tries to force it together again experience the beginning of the blue moon chronicles trilogy

as wismerhill struggles to get his empire up and running a terrible threat looms over the future of humanity the great ophidian tribe has decided to wipe the new arrivals off the face of terra secunda countless reptilian legions advance wreaking havoc on outlying settlements wismerhill will soon have no choice but to defend his empire

a thorough illuminating exploration of the most consequential controversy raging in modern science new york times book review an editor s choice new york times book review longlisted for pen e o wilson prize for literary science writing longlisted for goodreads choice award every physicist agrees quantum mechanics is among humanity s finest scientific achievements but ask what it means and the result will be a brawl for a century most physicists have followed niels bohr s solipsistic and poorly reasoned copenhagen interpretation indeed questioning it has long meant professional ruin yet some daring physicists such as john bell david bohm and hugh everett persisted in seeking the true meaning of quantum mechanics what is real is the gripping story of this battle of ideas and the courageous scientists who dared to stand up for truth an excellent accessible account wall street journal splendid deeply detailed research accompanied by charming anecdotes about the scientists washington post

some wait hours some wait months before they re summoned by the oracle to hear their destiny but not wismerhill he s barely set foot on the sacred site when he hears the call it seems the oracle had been waiting for him but wismerhill doesn t want to know his destiny he just wants to know where his father is with

new information in hand the motley crew sets off once again on their travels through strange lands little do they suspect the demons that are on their trail

from two of the greatest imaginations of our time comes a magnificent novel of adventure and magic shadow moon first in the chronicles of the shadow war the genius of star wars r creator george lucas and the vision of chris claremont the author of the phenomenally bestselling the uncanny x men adventures merge in what must be the fantasy event of the year in shadow moon war and chaos have gripped the land of tir asleen an ancient prophecy reveals one hope a savior princess who will ascend to the throne when the time is right but first a nelwyn wanderer must face forces of unimaginable malevolence and dangerous forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep george lucas reshaped filmmaking in the 70s and 80s with his star wars and indiana jones films when bantam books asked lucas if he had any stories he would like to develop as novels rather than as films lucas turned to his 1988 fantasy film willow when i wrote the story for willow i began with the pre story lucas said but the full story was yet to be told now

lucas s vision is being fulfilled with the talented help of chris claremont having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere the uncanny x men claremont assumes the responsibility of foster parent to lucas s creation on sale in hardcover now and available on bdd audio cassette as well shadow moon is a momentous new adventure for readers looking to spend part of this summer in a fantastic world shadow moon is one of bantam spectra s most exciting publishing events in 1995 the year we celebrate our 10th anniversary as the premiere publishing imprint of books of speculative fiction

offers a multifaceted portrait of the visionary german scientist who became the chief rocket engineer of the third reich creator of the v 2 rocket reluctant ss officer and one of the fathers of the u s space program

wismerhill has finally made it to the top and it seems like nothing more can get in his way but then he gets a surprise visit from his father who he thought was dead the mysterious prince of clouds reveals some hard truths that shake up wismerhill s world and stir him into action but he has to move fast the gates of hell have been opened and demonic hoards are wreaking havoc all over the empire wismerhill sets out on an urgent quest to save the earth from absolute destruction

terra secunda a new world a second and final chance wismerhill is leading the efforts to save humanity and create a whole new civilization it s a monumental task already shrouded in the shadows of sedition demons and the vast ophidian clan after all this is the snakes planet and they plan on keeping it that way

was the space program the signature project of secular modernity or a symbol of humankind s perpetual quest for communion with god in the beginning god

created the heavens and the earth in 1968 the world watched as earth rose over the moonscape televised from the orbiting apollo 8 mission capsule radioing back to houston on christmas eve astronauts recited the first ten verses from the book of genesis in fact many of the astronauts found space flight to be a religious experience to touch the face of god is the first book length historical study of the relationship between religion and the u s space program kendrick oliver explores the role played by religious motivations in the formation of the space program and discusses the responses of religious thinkers such as paul tillich and c s lewis examining the attitudes of religious americans oliver finds that the space program was a source of anxiety as well as inspiration it was not always easy for them to tell whether it was a godly or godless venture grounded in original archival research and the study of participant testimonies this book also explores one of the largest petition campaigns of the post war era between 1969 and 1975 more than eight million americans wrote to nasa expressing support for prayer and bible reading in space oliver s study is rigorous and detailed but also contemplative in its approach examining the larger meanings of mankind s first adventures in the heavens
